

Botshabelo

Adding value to our city

Botshabelo is a 18-year-old NPO, **reaching over 2 600 beneficiaries** through our Babies Home, Preschool, and Teacher Training Programme.

Botshabelo is passionate about transforming children's lives

We welcome the opportunity to partner with YOU in transforming our communities!

Donations/Sponsorships

Your financial donations support the transformative work of Botshabelo throughout each program. Not only do your gifts make a world of difference to the women and children we reach each week, but they are tax-deductible and eligible for tax and B-BBEE benefits.

Tax-Deductible

Gifts made to Botshabelo are tax-deductible (reducing the amount you are taxed on at the end of the financial year). We can gladly provide Section 18(A) tax receipts to individuals and companies.

B-BBEE Benefits for Bots Supporters

Socio Economic Development (SED)

For companies, we have more than 75% Black Beneficiaries, and therefore gifts made to our Babies Home, Preschool, and Training Program qualify for SED points. Gifts can be once off or ongoing, to sponsor a baby, preschooler, or teacher trainee.

Enterprise Development (ED)

Donations made to our Teacher Training Program (UpliftED) through an ED grant, support the development of preschools in the township of Olievenhoutbosch, uplifting the standard of learning and pouring value into the community. These gifts qualify for ED points.

Skills Development (SD)

Donations made to NQF Level 4 training for teachers in our Teacher Training Program (UpliftED) support the development of women as they achieve certification in Early Childhood Development. These gifts qualify for SD points.

We would love to discuss options for helping you and/or your business connect with Botshabelo to meet your social giving requirements, adding value to the community. Thank you for considering an investment into the lives of the women and children we serve.

Warm Regards,

Makopano Mutloatse and Michelle Hinrichsen, Fundraiser
